Subject: TSCA SACC Asbestos Draft List serv (proposed link to website/11 am publication in docket)

Allison, I inserted the link below into the draft list serv per your confirmation email from Don on yesterday. We are awaiting publication of the meeting minutes in the docket and to grab the link for the TSCA SACC webpage. We will confirm with you at 11 am on the publication of the minutes.-
Thanks.

TSCA SACC Meeting Minutes and Final Report for June 2020 Meeting on EPA's Draft Risk Evaluation for Asbestos

The meeting minutes and final report for the June 8-11, 2020, Toxic Substances Control Act (TSCA) Science Advisory Committee on Chemicals (SACC) virtual meeting regarding EPA's draft risk evaluation for Asbestos is now available.

The meeting minutes and final report is available in the docket EPA-HQ-OPPT-2019-0501 at www.regulations.gov. A link to the document is also posted on the TSCA SACC meeting webpage at [<https://www.epa.gov/tsc-peer-review/peer-review-draft-risk-evaluation-asbestos-0>.]

EPA is in the process of reviewing the report and then will determine next steps.

The TSCA SACC serves as a primary scientific peer review mechanism of EPA's Office of Chemical Safety and Pollution Prevention and is structured to provide independent scientific advice and recommendations to EPA on the scientific basis for risk assessments, methodologies, and pollution

prevention measures and approaches for chemicals regulated under the Toxic Substances Control Act (TSCA).

Cc: Knott, Steven <Knott.Steven@epa.gov>; Dennis, Allison <Dennis.Allison@epa.gov>
Subject: SACC Asbestos report

Hello Alex,

Please let me know if you would like to release the asbestos report Friday, August 28, before 11:00 a.m. or Monday, August 31. In consultation with Allison, we recommend we not try to push it out today, because we are still working together on coordinating the listserve and the release of the report, including getting the final report into the docket.

Attaching the comms one-pager for your reference.

Thanks,
Hayley

Subject: RE: Update SACC Asbestos Minutes and Report

Correct- we don't have the draft listserv text yet. Below is the text we used for the PCE report- hopefully you can easily tweak it and send back to us. Don't forget we will need to make sure the epa/tsca website will need to be updated too.
-Allison

TSCA SACC Meeting Minutes and Final Report for May 2020 Meeting on EPA's Draft Risk Evaluation for Perchloroethylene

The meeting minutes and final report for the May 26-29, 2020, Toxic Substances Control Act (TSCA) Science Advisory Committee on Chemicals (SACC) virtual meeting regarding EPA's draft risk evaluation for Perchloroethylene is now available.

The meeting minutes and final report is available in the docket EPA-HQ-OPPT-2019-0502 at www.regulations.gov. A link to the document is also posted on the TSCA SACC meeting webpage at <https://www.epa.gov/tsca-peer-review/peer-review-draft-risk-evaluation-perchloroethylene>.

EPA is in the process of reviewing the report and then will determine next steps.

The TSCA SACC serves as a primary scientific peer review mechanism of EPA's Office of Chemical Safety and Pollution Prevention and is structured to provide independent scientific advice and recommendations to EPA on the scientific basis for risk assessments, methodologies, and pollution prevention measures and approaches for chemicals regulated under TSCA.
